

Certificate of Participation

This is to certify that Xinzhe WU has completed the
2017 International Summer School on HPC Challenges in Computational Sciences

The International Summer School provides participants with opportunities to gain greater knowledge about high-performance computing and its application in numerous fields, and fosters new collegial friendships and partnerships among the international presenters and attendees.

Sponsored by

Partnership for Advanced Computing in Europe (PRACE)
Extreme Science and Engineering Discovery Environment (XSEDE)
RIKEN Advanced Institute for Computational Science (AICS)
Compute Canada

June 2017, Boulder, CO, USA

Dr. Hermann Lederer
Deputy Director of RZG, Max Planck Society

John Towns
PI and Project Director, XSEDE

Kimihiko Hirao
Director of AICS

Mark J. Dietrich
President and CEO
